Presence Needed at Statehouse

On Wednesday March 5th and Thursday March 6th, a number of bills with a potential to greatly impact our liberties for better and worse will be voted on these days.

Show your support for the principles of freedom and liberty with your presence and help keep the statistis at bay. Pick a day, better yet, come both days. Bring your friends, see you there!

Please contact [Denis Goddard](#) for information.

Run for office

The simplest and most effective way to protect liberty, is for liberty minded people to run for and get elected to office. Local or state, school board or senate, there is a high need for liberty minded individuals to roll up their sleeves and run. If you can't run, you can still help by being part of a campaign team. If you or someone you know might be interested in running for state or local office, please contact [Dan Itse](#) for information.

Bill Review Party

As you may know, a very high priority for the NHLA is the reviewing of all house and senate bills. A great thanks to all you out there who've taken time to help accomplish this large task.

Lots are done, more to do. Why not make it social? People together = more input. More input = easier and faster bill review process.

If you're local to the Manchester area, there will be a bill review party on March 15th at the home of Mark Warden.

If you have a laptop, do bring it. Also consider bringing some chips, beer or soda for yourself and/or to share. Don't forget your NH constitution!

Contact Mark at liberty.warden@gmail.com for directions.

Race Day

For the past several years, a group of NHLA members have offered their time to volunteer at the NH Motor Speedway in Loudon. This is a fundraiser for the Political Action Fund, which is needed this year to help all the liberty minded people who will be running for State Legislator.

It's a long day and it's hard on your feet but the experience of standing yards from Nascars zipping by at 140 is pretty tough to beat! Hold onto your hat, literally!

This year we will be volunteering on Saturday, September 13th.

Anyone who can volunteer, please contact Carol McGuire at treasurer@nhliberty.org. If we know in advance how many people will be there, we can earn bonuses and larger donations than if we just show up on race day.

Liberty Dinner

The 2008 NHLA Liberty Dinner will be held on Thursday, June 12. Mark your calendars now! It will be held at the Holiday Inn in Concord. We will be honoring the Legislator of the Year, Liberty Activist of the Year and we are looking for an entertaining and educational speaker to round out a great night of good food and conversation with our fellow liberty lovers, including many State Representatives. There will be discounts for early registration (coming soon!) and we encourage you to get 9 of your best liberty friends together to save money on the discounted per person rate for tables of 10! For more information, contact Dawn Lincoln at chair@nhliberty.org
