SB 516, (New Title) prohibiting motorcycle-only checkpoints.

Transportation: OTP 13-0

SB 516

**YEA
OTP**

PRO-LIBERTY: This bill prohibits motorcycle-only checkpoints.

- There is a demonstrated need for this legislation, as during the committee hearing, testimony was given that the town of Portsmouth is said to have been pursuing motorcycle-only checkpoints.
- Roadside checkpoints which stop vehicles without probable cause are an infringement upon the right to be free from unreasonable searches of possessions.
