HB 101 YEA/ITL

HB 136 YEA/OTP

HB 71 NAY/OTP

HB 155 YEA/OTP

HB 101, relative to industrial hemp and establishing an industrial hemp special program fund.	HB 101
Committee report: Environment and Agriculture : ITL (11-7)	
<u>This bill, which outlines a future hemp crop licensing and testing regime, is <b>anti-liberty</b>.</u>	<b>YE</b> A
• The NHLA supports farmers that wish to grow hemp and this bill is not a means to that end.	
<ul> <li>At present, there is no state prohibition on growing hemp.</li> </ul>	on
<ul> <li>Mandating state managed seed procurement and distribution is unnecessary.</li> </ul>	
• This <i>restricts</i> the liberty of NH farmers, by incorporating burdensome federal mandates.	
HB 136-FN, repealing the uniform athlete agents act .	HB 136
Committee report:Executive Departments and Administration : OTP (7-5)This bill, which repeals a law dictating the terms of private contracts , is pro-liberty:	
<ul> <li>Repeals a regulation that prevents schools and teams from other states from seeking out</li> </ul>	YEA
New Hampshire athletesand potentially providing them with financial opportunities.	on
	<b>NTD</b>
	UIF
HB 71, authorizing establishment of pharmaceutical drug take-back programs .	UD 71

The New Hampshire Liberty Alliance is a non-partisan coalition of New Hampshire citizens working to increase individual freedom in the Granite State. Each year we compile voting records from a wide variety of legislation and release our **Liberty Rating**, grading our state legislators' support of liberty. These Gold Standards are an effort to highlight bills that, if passed, stand to substantially increase or decrease freedom in New Hampshire. Your vote on these bills may be used in our annual Liberty Rating.
