New Hampshire Liberty Alliance

2025 Liberty Rating

This is the annual Liberty Rating issued by the New Hampshire Liberty Alliance. It is based upon roll call votes in the State House and the State Senate. Individual grades for each representative and senator are based on pro-liberty or anti-liberty roll call votes and sponsorship/co-sponsorship for a subset of bills that have been included in our Gold Standard liberty voting guides distributed to Senators and Representatives each session day and/or our activist alert that goes out each week prior to public hearings. Each bill/vote is assigned an impact score by NHLA considering the degree to which the bill or vote impacts (positively or negatively) liberty.

Pro-liberty bills protect individual freedom of choice and personal responsibility; recognize the superiority of freedom over coercion; respect the citizen's right of self-ownership; promote governance that is transparent, accountable, and adheres to the Constitution; and recognize the value of voluntary economic decisions.

Anti-liberty bills replace self-governance with interventionist regulation; assume rules made by agencies backed by force are superior to voluntary choices backed by personal accountability; and assume a better economy can be managed by a central authority that compels people and businesses to pay for policies they may not willingly support.

The Liberty Rating is the result of hundreds of hours of work by many volunteers who have read and analyzed bills, testified before committees, called and written their representatives, worked on our other signature publication, the Gold Standard, and culled extensive data from legislative voting records. We encourage New Hampshire citizens to learn the facts about how their elected representatives are voting in Concord and to use this tool to hold them accountable. This report card serves as a valuable voter guide when these same representatives are running for re-election.

Motions of Ought to Pass (“**OTP**”), Ought to Pass with Amendment (“**OTP/A**”), and to accept a Committee of Conference report (“C of C”) pass a bill. If we recommended yea on these motions, it was a pro-liberty bill; if nay, it was an anti-liberty bill. Motions of Inexpedient to Legislate (“**ITL**”), **Table**, or **Indefinitely Postpone** kill a bill. Interim Study (“**IS**”) will result in the matter being studied and effectively terminates the bill for this legislative session. If we recommended yea on these motions, it was an anti-liberty bill; if nay, it was a pro-liberty bill. Scores are based primarily on roll-call votes but also include a small modifier for sponsorship score.

Legislator of the Year

Representative Kristin Noble

Kristin Noble began her involvement in NH politics during the Ron Paul Revolution, where she worked tirelessly behind the scenes for over a decade. Her work as a liberty minded Republican activist included being elected to the State Committee and volunteering for local, state and national campaigns.

She stepped into the forefront in 2022 as the battle for liberty in NH intensified and was elected a State Representative for the town of Bedford.

Kristin's passions for freedom, parental rights and education landed her on the Education Committee, where she quickly became known as an effective legislature. She was appointed to vice chair of the House Committee on Education Policy in her sophomore term.

She has championed bills protecting parental rights, getting explicit and pornographic materials out of public schools and preventing the mandatory masking of children.

Kristin is a true liberty warrior focused on preserving what makes the Live Free or Die state great.

Activist of the Year

Derek Proulx

Derek Proulx is born and raised in New Hampshire. He refers to himself as a "native free-stater".

As a former member of the National Guard, Derek has been a driving force in the effort to pass Defend The Guard legislation in New Hampshire, serving as state chair for Bring Our Troops Home.

In his professional life, Derek serves as Grassroots Engagement Director at Americans for Prosperity New Hampshire. He has organized countless volunteers make phone calls and knock on doors in support of pro-liberty candidates throughout the state.

Bills utilized for Sponsorship Scores

Sponsorship score acts as a capped modifier on the numeric roll call score for legislators. Bills must have appeared in the Activist Alert or Gold Standard to be considered for sponsorship scoring. Selected bills are assigned a raw impact weight based on the impact to liberty. Anti-Liberty bills have the full negative weight applied upon introduction. Pro-Liberty bills receive 1/3 of the weight for each step through the legislature - 1/3 for being introduced in a chamber, 1/3 for passing in chamber that bill was introduced and 1/3 for passing in the other chamber. Co-sponsors each receive half credit while the sponsor receives full credit. Finally, the impact of sponsorship score is capped at +- 5 points with the intent being to allow bill sponsorship to only have a modest impact on the final grade. Bill selection and weight is based on the content of the bill as it was initially submitted and the text and title may have changed since the time that the bill was submitted.
