HB 1066, relative to warrant articles authorizing lease agreements.

HB 1066

Election Law and Municipal Affairs: IS 4-0

NAY IS

PRO-LIBERTY: This bill requires a public hearing if a town wants to enter into a lease valued at over \$500,000.

- \$500,000 is a significant amount of money for any town. A decision of that magnitude deserves the opportunity for the public to weigh in before a decision is made.
- We oppose the IS recommendation and request OTP on this bill.

HB 1442, limiting the use of certain facilities on the basis of sex and redefining the term "gender identity."

HB 1442

Judiciary: OTP/A 3-2

PRO-LIBERTY: This bill as amended allows, but does not require, certain public institutions to be organized on the basis of biological sex. Bathrooms, sports teams and correctional facilities may choose to be organized on the basis of biological sex rather than gender.

- A core pillar of liberty is the ability to do whatever you want, so long as what you are doing does not have an impact upon anyone else's liberty.
- The benefit to those who want privacy and security in shared spaces outweighs the interest of others who want to use the facility of their choosing.
